

December 1, 2011

Dear Friends of the MLC,

The Montana Learning Center at Canyon Ferry Lake (MLC) is completing another very active year. Our Mission is broadening to include all STEM areas. [STEM = Science, Technology, Engineering, Mathematics]

Our programs are expanding to include more/varied summer camp opportunities e.g. Family Camp and Science Fair Projects Camp.

Adult groups love the refreshing, outdoor environmental that enhances teacher professional development and supports the learning experiences of other groups hosted by MLC.

To expand STEM programs for youth and adults, host larger groups and service 15 buildings, **we ask your continued financial support. The Wish List** includes:

- Kids summer camp scholarships
- Osprey/weather cam
- Paint, paint, paint
- Interior window hangings for houses
- Roll-down soundproof barrier for kitchen pass-thru
- Food warming heat lamp

Larger items include:

- Expand Blue House meeting room area
- Provide two handicap accessible baths & ramps
- Reconstruct the boat dock
- Build dining hall exit door and lake view deck
- Replace deteriorating galvanized water pipes
- Replace old, low efficiency windows

You may **donate to MLC** by sending a check payable to the Montana Learning Center accompanied by the tear-off slip below or **by going on-line to www.montanalearning.org and clicking on "Donate"** where credit cards may be used. Remember, MLC is as a 501(c)(3) non-profit so your contribution is **tax deductible**. In advance, thank you for your support.

Glenn Allinger, Executive Director
